		Action
<b>BPC/69/24-25</b>	To receive apologies. Apologies received from Cllr Hawkins and District Councillor Cooper. The Council resolved to accept the apologies.	
<b>BPC/70/24-25</b>	To receive declarations of interest under the Council’s Code of Conduct related to business on the agenda. Councillors are reminded that if they have either a Disclosable Pecuniary Interest or other interest in any of the agenda items then they should declare the interest and withdraw from the debate or meeting as appropriate. Cllr Billing declared an interest in item: BPC/89/24-25 (e).	
<b>BPC/71/24-25</b>	To receive and approve for signature, the minutes of the Ordinary meeting held on 13/05/2024. Approved.	
<b>BPC/72/24-25</b>	To note any matters arising from the minutes not included on the agenda for report only. None noted.	
<b>BPC/73/24-25</b>	Clerk’s report. Outstanding SSE Electricity bills: SSE have assured me that they will be able to send the corrected bills by the end of the week. SSE direct debit arrangement at Unity Trust account cancelled until corrected invoices are available. Grass cutting at Stoke Road works: Discussed with site manager the possibility of their team strimming the site at the end of the works due to the difficulty of access to the site by grass-cutting contractor. Cllr Chandler is liaising with the site manager to arrange for access for the grass-cutting contractor. Cllr Chandler to pursue. Community Payback Services team are now back and have begun to clear more of the allotments. Arranged with the Graveyard Shift volunteer group (including four children from Pond Bank) to plant up over 100 plants at the Closed Cemetery. Also one of the children, with the help of his father, undertook to mow the paths at the Closed Cemetery in the absence of the Community Payback Services team. The Council thanked the volunteers especially the children for their continued hard work. Youth Parish Council – Notices of the first session on 28/06/2024 posted around the village and a workshop/training for developing youth engagement to be arranged.	Cllr Chandler

Report on data from SID/VAS devices: Update from Cllr Read.

VAS unit in Courteenhall Road

In the period between 27 April and 1 June (36 days) there were 111,813 vehicle movements (Avg. 3106 per day), which a significant increase of 19% on last month's report and represents traffic now being able to access the A508 junction and traffic becoming familiar with that route, also with the Stoke Road closure it is now similar to volumes experienced before the junction alterations which exceeded c3000 per day. The speed data has become corrupted and is showing some erroneous results so cannot be relied upon for this period.

VAS unit in High Street

In the period between 9 May and 1 June, note that the batteries ran out between 12 May and 18 May (18 days) there were 69,975 vehicle movements (Avg. 3,887 per day), this is a 21% increase on last month but still not reflective of the volumes seen previously in Dec 2023 we experienced 4,367 per day so this represents a 11% reduction in recorded volumes. The speeds are consistent with December 2023 and last month with average speeds to 28.1 mph and 85% of vehicles were travelling below 32 mph. The top speed recorded was 79 mph. Peak traffic flows regularly

## BLISWORTH PARISH COUNCIL

### Appendix 3

Social Media Report: (Residents names have been removed)

13 May - Hi there. Not sure who to contact but people doing roadworks on Windmill/Courteenhall have left a load of signs and cones outside mine and my neighbours houses on our property for seemingly no reason. they have now been there a week and we would like them removing as no works seem to still be going on. Can you please provide me contact details of who is responsible/can the message be passed on for them to be collected from outside 26/28 Buttmead where they have been left.

Reply - Hi, we're not sure who was undertaking the work and will raise with WNC. Can you also log it on <https://www.fixmystreet.com/> many thanks

Resident - Fab, thank you. Yeah I didn't actually see them and wasn't sure what work it was but there was also a sign on the corner of windmill one day, that's now gone but the others have been left. Thanks so much

Reply - We have discussed this at tonight's meeting. Apparently on the back of the signs should be the company name of who owns them. Could you have a look at take a photo and we can get the company to collect

Our total number of followers on Social Media has slightly increased to 303 people, an increase of three since last month (68.3% of our followers are listed as women and 115 are listed as resident in Blisworth, the remainder listed in Northampton/Road/Towcester/Hartwell). The highest age demographic is the 35-44 year old age group. We have had a post reach of 2249 people (people who have our messages on their social media feeds) and a direct engagement (clicks) of 1969 people.

Our top performing post in the period was information on the proposed 20mph speed restriction. This led to 1499 people reached (on feeds) and 114 direct engagements (clicks to look at content), 3 reactions and 3 shares. Below are the 27 comments posted against the share on the Blisworth notice board, I have removed residents names.

- We have just come through the High Street and the car said 20mph. Happy to oblige.
- Only the pot holes will deter some of these drivers!!!!
- Nice idea but won't be adhered to and nobody to police it either sadly. There can be a myriad of rules but without policing it's a waste of time
- "Wonderful" idea! Cars will go slower, spend more time in the village, more pollution! Do something about lorries, by pass road and parking on the road, so the people can get home quicker!
- Let's bring back Steptoe and his horse and cart
- Wales now think 20mph is not such a good idea.
- Ensure people stick to the 30mph through the village maybe with an occasional visit from the camera van in the heart of the village and ban lorries altogether unless they can prove they are actually delivering to the village.
- Don't get me wrong I'm not condoning speeding through the village but If speeding is such an issue in the centre of the village, which is where these limits would apply why do we never see the police mobile cameras there ?? I've lived here 12 years and only ever seen them on the areas coming into the village where it changes from 60 - 30

## BLISWORTH PARISH COUNCIL

- Maybe they should be asked to set up shop on the high street or outside the school ?
- not sure I've seen anyone speeding in the marked area, it's the bits in blue that are the issue
- so why the 20 limit
- the speed van has to park at certain areas in order for the cameras to 'judge' the distance/speed.  
When the call went out for villagers to be trained to use a hand held speed gun (GATSO), if I remember rightly, there were not enough volunteers Alan can probably clarify. I know people have busy lives but we need to be prepared to put ourselves out a little to protect our village.
- that's correct and believe it or not the van and volunteers have to be clearly visible.
- Gayton Road shouldn't be 60 with houses and the boat yard down there.
- again the roads shocking can't do 60
- let them carry on and smash up their suspension
- Be careful what you wish for, check out Hanslope Humps!
- There's loads of cars come up/down Courteenhall Road doing 50+ a few are doing 80+ - maybe they should put speed ramps in as well as the 20mph as the speed limit isn't going to deter these drivers
- maybe that's why they've left the potholes
- If this goes ahead then the lollypop lady will be removed this would surely be a greater loss for our village and nobody will stick to it
- Definitely extend past the doctors but drivers will ignore it and why not a weight limit?
- They will ignore it anyway!
- I got a better idea instead how about stop the massive 15+ ton lorries coming through the village
- Make all of it 20mph!
- Hear! Hear!
- My camshaft would try jumping out my engine if tried pottering along at 20mph why Electric scooters and E bikes over take me [OBJ]
- I can't go faster than 30 anyway roads in Blisworth are shocking
